Invitation to enter

The Gallery @ Cove Commons extends an invitation to all local artists to enter **recent** work in the **2019 Annual It's a Wrap Show**. The Art Exhibition will showcase the work of Island Artists and will be presented at the Gallery.

Please note the following:

- The Gallery will take a **30% commission** on all sales. The gallery does not collect GST. Please talk to us if you charge GST.
- Artists consenting to the sale of their work must sign the Art Consignment Agreement authorization on this entry form.
- Only works that are **for sale** will be accepted. Sorry, no display only work.
- Artwork that is dropped off after the deadline cannot be included in the exhibit.
- While every precaution will be taken to ensure the care and safety of the entries, the Hearth assumes no responsibility for loss due to damage, theft or vandalism of work submitted. Insurance of the artwork is the sole responsibility of the artist.
- A plate of goodies to share at the Opening reception would be greatly appreciated.
- Each artist is required to sit a minimum of 2 shifts during the show in the Gallery and be the Gallery host. The Volunteer Coordinator will organize the schedule and provide training.

Criteria

1. The Show is open to all full and part-time Bowen Island residents and is limited to members of The Hearth.
2. Up to three pieces of 2D artwork and up to five pieces of 3D work may be submitted per artist. Any items sold may be replaced with another of the same size/dimension. Due to space constraints some artwork may not be included in the exhibit. The decision remains with the Curator.
3. Original artwork may be in any medium including limited, numbered editions of mechanical prints and photographs. All ideas, designs and reference material must be the artist's own work. Art, after a cultural style to which the artist has no cultural or ancestral ties cannot be considered.
4. The Artist must be the creator of the work. Artwork must be original and not made from kits, mass moulds or mass produced. Work that was produced during a class will not be accepted.
5. **Only recent works**, created in the last two years, not previously exhibited on Bowen will be included.
6. Work must be suitably prepared for exhibition and ready for presentation, appropriately framed, wired and ready for hanging on our hanging system. Contact the Curator for specific requirements.
7. **Size matters!** Very large 2D work may not be included. Please contact the Curator regarding work larger than 30 x 40 inches before Nov 3rd.
8. All participants in the show must be available for at least 2 3-hour shifts. Please sign up for your shift when you deliver your work.
